さんかれあ ANIME BROADCAST

A notice about the OP and the decision of music!

The OP and music for the TV anime that starts in April on TBS, MBS, CBC and BS-TBS have been decided. The OP will be performed by the rock band nano.RIPE who made the theme song for last year's popular anime "Hanasaku Iroha". The musical arrangement will be composed by Yukari Hashimoto who has worked with several artist's songs.

Opening song

nano.RIPE
[Esora Goto (pipe dream)]

I'm Kimiko,
the vocalist & guitarist in nano.RIPE, the band who has been given the task to make the theme song. Contrary to what you might think about a story where a high school girl turns in to a zombie, a setting which is so far from reality, it contains a love story and questions about life itself. It also covers self confidence and surprisingly much of the natural things of everyday life; it's a mix of a lot of things. We want to cram these worries and the small, everyday troubles in to the theme song. We will be very happy if you like both our song and the anime.

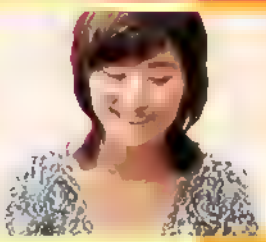
Best regards!

They had their media debut at "Patricia" in September 2010. Made songs such as "Hana no Iro", the theme music for the anime "Hanasaku Iroha". Their new popular single "[illegible]uk no Sei" is currently on sale. They are also conducting their "Yukide no Hanashi" tour at the moment.

It's certain that the music will be perfect for this series and will really liven up the TV anime!

Music

Yukari Hashimoto



Sankarea...
When I was first told about it "It's a zombie moe romcom" I thought "What? Zombie and moe?" I was speechless. But when I started to read the original work and realized that it's really fun, right now I'm like "I want to read the next one ASAP!!". So now I've been writing songs everyday. Gentle, soft, heart-rendering and a little scary. Those are the kind of songs which I want to write to express Rea and Furuya's emotions.

As a synthesizer programmer, she cultivated her experiences and has worked with and directed several works of music. She has worked on several important themes on the soundtracks for anime such as "Mayo Chiki!" and "ToraDora!".

I (Izirae), made an error, and I forgot to put this in the last release {or however many chapters ago}--to correct it. Ranko's name is indeed RANKO. However, her nickname is spelled "WANKO" (which she is called by people who are close to her, much like using familiar honorifics for someone you know.) because of a small character change at the beginning of her name.

I personally always thought it was a typo and jumped to a (stupid) conclusion.

And I should take the blame for this error...probably.

Anyway, to keep things consistent, as I said, we will be using Ranko.

Sorry if this inconvenienced you, though I don't know how it would. I'm just OCD like that.

Kekeke, looks like it's just another case of an Izirae fail. Been a lot of those lately. ^o^;

A message from Hattori Mitsuru!!

This is the second time one of my works gets an anime adaptation, but this time I'm involved in the whole process, from the making of the script up till the final product. As for the composition of the script, I think you can rest assured that it will be very true to the original work. That being said, the anime will have some new original scenes, but since I was involved in the making of the script, I can say that it will not be an elongation of the original work but instead things that will make the fans go "Oooh!". For the visual part director Hatakeyama, being a very picky person, will deliver very vivid results. Director Hatakeyama's idea has been to "use simple coloring for the characters but to put a lot of hard work into maximizing the whole visual experience" something he has poured a lot of work into. I have also witnessed the dubbing process and the sound is really magnificent, I'm really looking forward to seeing the completed product That is why I believe that the fans and other people will be pleasantly surprised, so please watch it. To be honest... I think that this is even better than the original work! (laugh)

As the broadcasting start date draws near, next month's first broadcasting dates have been decided! The second key visual has arrived and the audio recording is going well. The expectations for the TV anime are constantly rising. And as we are getting ready, we have also received a message from Hattori Mitsuru!

TVアニメ絶賛放送中

I've experienced
several slam
nights like that.

KC①～⑤巻は
大絶賛発売中!!

But...that...

YOU'RE TAKING THEM TOO LIGHTLY.

THESE THINGS CALLED ZOMBIES—

TO A ZOMBIE WHO'S ENTERED THE CONFUSED STAGE,

SOMEONE WHO INTERFERES WHEN IT'S EATING

IS NOTHING MORE THAN AN ENEMY

IF 18 HADN'T STEPPED IN,

YOU WOULDN'T BE STANDING HERE RIGHT NOW.

...BABU...

.....

DO SOME-THING LIKE THAT...

BABU WOULD NEVER

ISN'T THAT RIGHT?

I MEAN, YOU HAVE ALREADY CAUGHT A GLIMPSE OF A ZOMBIE THAT HAS ENTERED THE CONFUSED STATE.

OH?

YOU KNOW IT DEEP DOWN INSIDE, DON'T YOU?

Please visit Hattori Mitsuru at www.studio-hami.net, or purchase Sankarea volumes.

.....

...YOU

THERE STILL WASN'T ANY NEED TO INFLICT THIS AMOUNT OF DAMAGE TO BABU'S BODY, RIGHT?!

OOH...? AS I THOUGHT

18'S CLAWS ARE CAPABLE OF STOPPING A ZOMBIE'S MOVEMENT INSTANTANEOUSLY.

THEY CONTAIN A KIND OF MODIFIED PANCURONIUM, "ZSD"- A ZOMBIE STOP-PING DRUG.

TRIED TO GET IN THE WAY OF 18'S FIRST ATTACK, DIDN'T YOU?

!

IF THE FIRST ATTACK HAD SUCCEEDED,

THAT CAT WOULDN'T HAVE SUSTAINED ANY UNNECESSARY WOUNDS.

DURING THE DAY, IT WOULDN'T SEEM LIKE ANY CHANGE OF THE CONDITION HAD OCCURRED.

BUT IN REALITY, THE SYMPTOMS OF THE CONFUSED STATE WERE PROGRESSING, SHOWING THAT FORM WHEN THE SUN HAD SET.

ANYHOW, I GUESS IT WAS LIKE I EXPECTED.

.....

Please visit Hatsuki Mitsuru at www.studio-hami.net or purchase Sankarea volumes

I DON'T NEED SUCH AN EXPLANATION.

AN ARM LIKE IN ABOUT A WEEK IT WOULD HAVE DETERIORATED UNTIL THE STAGE WHERE EVEN BURYING THE DAY...

THERE ARE INDIVIDUAL DIFFERENCES AMONG ST CANDELS WHEN IT COMES TO THAT KIND, BUT THAT CAT REALLY SEEMED

...PARU...

.....

WILL HE NOT BE ABLE TO MOVE AGAIN...?

...THAT IS, IF THE BODY IS STILL INTACT...

THE EFFECTS OF THE DRUG LAST APPROXIMATELY 12 HOURS. WHEN IT WEARS OFF, IT'LL BE ABLE TO MOVE AGAIN.

IF 18 FOUGHT WITH IT SERIOUSLY,

THAT CAT IS ALREADY

A PROBLEM BEYOND JUST HAVING ENTERED THE CONFUSED STATE.

THEN IT WILL SURELY

BE IN SUCH A STATE THAT IT WON'T BE ABLE TO MOVE IN ANY NATURAL WAY EVEN AFTER THE DRUG WEARS OFF.

Please visit Hattori Mitsuru at www.studio-hami.net, or purchase Sankarea volumes.

THERE ARE THREE THINGS YOU CAN DO FOR THAT CAT.

NUMBER ONE: TO LET IT SPEND THE REMAINING TIME IN THAT STATE WAITING FOR THE BODY TO ROT.

NUMBER TWO: LET ME TAKE IT TO MY LAB AS A "SPECIMEN" WHERE I CAN TURN IT INTO A CYBORG LIKE 18.

NUMBER THREE:

WHA...

TURNING BABU INTO AN EMOTIONLESS CYBORG LIKE THAT OWL...

CREMATE—

SINCE IT IS A ZOMBIE THAT YOU CREATED,

YOU HAVE TO DECIDE IT YOUR-SELF.

...ANY FORM OF BURIAL IS FINE BUT,

SINCE IT IS A ZOMBIE, A WAY THAT ANNIHILATES THE BODY AS QUICK AS POSSIBLE IS PREFERRED, RIGHT?

ドン

ドン

ドン

BUT IT REALLY IS STRANGE...

...SERIOUSLY PROFESSOR BOIL,

YOU DIDN'T TEACH HIM ANYTHING ABOUT ZOMBIES AT ALL, DID YOU?

A LOT HAS HAPPENED AT THE RESEARCH FACILITY THAT CONVINCED THE PROFESSOR TO RETURN HOME TO JAPAN.

BUT TO THINK THAT HE HAD COMPLETELY STOPPED RESEARCHING, JUST LIKE THAT...

AH WELL...

I FOUND OUT SOME INTERESTING THINGS ABOUT REA-SAN ANYWAY.

IT SEEMS LIKE I WON'T HAVE ANY TIME TO WASTE CONTINUING CAREFREE HOME STAY.

IT'S ALRIGHT, AYUMI-CHAN.

...GRANDPA...

BUT, EVEN THOUGH I SPENT MANY LONG YEARS RESEARCHING IN ORDER TO MAKE THE PERFECTED DRUG, I NEVER SUCCEEDED...

WELL... IF THE DRUG WAS PERFECTED, IT WOULDN'T HAVE TO BE LIKE THIS, RIGHT...?

SO THEN, IS THERE STILL ANY POINT IN BRINGING THEM BACK...? IS IT NECESSARY...?

IT GIVES ME A STRANGE FEELING THAT IT'S ALL CONNECTED SOMEHOW.

SEEING YOU MAKE THE DRUG THAT I INVENTED ONCE MORE.... AND SEEING YOU TROUBLED LIKE THAT...

A WAY THAT WILL KEEP BABU AND REA AS THEY ARE!!

THEN HELP ME COME UP WITH A WAY!!

...THEN...

I DON'T KNOW ABOUT BABU...

.....

HUH?

I FEEL THAT SOMETHING IS DIFFERENT ABOUT HER, COMPARED TO OTHER ZOMBIES...

BUT THAT GIRL... SHE, WHO RECOVERED FROM THE CONFUSED STATE...

ドドド

DIFFER-ENT...?

……

ドドド

I FEAR THAT DARIN HAS ALSO NOTICED THIS....

...THAT BEING SAID, I'LL GIVE YOU A LITTLE WARNING.

EH_ WHAT DOES THAT MEAN_?

ZOMA_?

THAT'S THE PLACE WHERE GRANDPA WORKED AT A LONG TIME AGO_ AND STILL_

EVEN IF DARIN EXTENDS HER HAND TO YOU AT TIMES,

... I'M ...

THAT GOES WITHOUT SAYING. I WOULD NEVER HAND HER OVER TO THOSE PEOPLE, WHO TREAT ZOMBIES LIKE MATERIALS...

THAT'S WHY I NEED YOU TO...

DON'T EVER LET HER TAKE THAT GIRL TO THE ORGANIZATION WHERE SHE WORKS, ZOMA.

IN THE PROFESSOR'S CASE, HE HAS TAKEN SEVERAL LETHAL DOSES, WHICH HAVE LED TO PARTIAL BRAIN DAMAGE...

I WONDER HOW MUCH LONGER I'LL BE ABLE TO REMAIN "SANE."

I'M NOT ABLE TO RESEARCH ANYMORE, NOT WITH THIS UNSTABLE MIND OF MINE...

...

CHIHIRO ...

YOU HAVE NO CHOICE BUT TO DO THIS ON YOUR OWN.

AS THE PERSON WHO MADE THE RESURRECTION DRUG...

Please visit Hanyo Mitsu at www.studio-hanmi.net for purchase information.

GRANDPA SPENT SEVERAL LONG YEARS ON HIS RESEARCH AND STILL DIDN'T FIND THE ANSWER
